Re: Letter of support for Rezoning Application filed by Ramaco Wyoming Coal
Co., LLC

Dear County Commissioners, Planning and Zoning Commission Members and Mr. Reid:

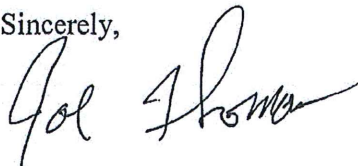

My name is Joe Thomas. I am a Sheridan County resident. I live at 62 Monarch Road
and my mailing address is PO Box 685, Sheridan, WY 82801.

My property and my residence are located just across the Tongue River from the
proposed Ramaco Wyoming Coal Co. rezoning lands, that the County recently received an
application about. My property boundary also adjoins part of Ramaco's lands in that area.

This week, I reviewed and discussed Ramaco's rezoning application with several Ramaco
representatives. The representatives provided me with maps and information and answered all of
my questions regarding Ramaco's proposal.

I write this letter, as an adjacent neighboring landowner, to express and to provide my
full support of Ramaco's rezoning application and request.

Sincerely,

Joe Thomas
