Board of Sheridan County Commissioners  
224 South Main Street, Suite B1  
Sheridan, WY 82801

Dear Sheridan County Commissioners:

Please accept this letter of support for the Zoning Designation Petition filed by Ramaco Wyoming Coal Co., LLC for the Monarch Parcel.

As tech-sector entrepreneurs we value the growth potential we see for our industry when companies like Ramaco set their sights on high-tech, science-based facilities in the Sheridan area.

Increasing tech-sector opportunities should be a goal for all of Sheridan County. Tech-sector companies offer high-paying jobs; unique to our area. We believe that Ramaco's R&D and manufacturing facilities will make our communities more attractive to young entrepreneurs, researchers, scientists and manufacturers.

We truly hope you will consider granting the zoning designation change and support the tech-sector in Sheridan County!

Sincerely,
