Re: Support for Rezoning Application filed by Ramaco Wyoming Coal Co., LLC.

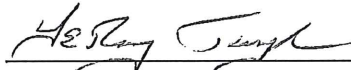

Dear County Commissioners, Planning and Zoning Commissioners and Mr. Reid:

My name is Leroy Taylor. I manage Taylor Ranch and its lands located between the Acme area and Ranchester along the Tongue River. My address is HC 31 1703 Highway 345, Ranchester, WY 82839.

I have dealt with Ramaco and Mr. Atkins a number of times over recent years. Ramaco and Mr. Atkins have always kept me fully informed about its plans and activities on its lands in our area.

On behalf of myself, and for our ranch operation and those lands, I write in support of the pending Ramaco rezoning application that is pending before both Commissions at this time. Our family ranch operation fully supports Ramaco's project. We urge Sheridan County to approve the light industrial I-2 rezoning that Ramaco has applied for. Please approve Ramaco's request.

Thank you,

Leroy Taylor, Taylor Ranches
