Commission and Mark Reid, Sheridan County Planner
224 South Main St.
Sheridan, WY 82801

Re: Support for Rezoning Application filed by Ramaco
Wyoming Coal Co., LLC.

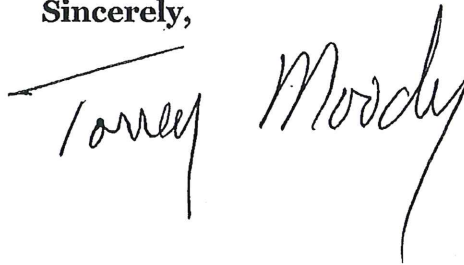

Dear County Commissioners, Planning and Zoning Commissioners
and Mr. Reid:

My name is Torrey Moody. I am a Sheridan County resident and
business person. I also own ranch and residential property near
Sheridan. My office is located at 2161 Coffeen Ave., Ste. 503 in the Mill
Inn Building in Sheridan.

I write in support of the Ramaco Wyoming Coal Co., LLC light
industrial (I-2) rezoning application that is pending before the County
at this time. The application concerns Ramaco's lands in the Acme area
just north of the Port of Entry.

Ramaco's application appears to me to seek a light industrial
rezone in the Acme area where the County has long-range planned for
such development. Ramaco representatives and Randall Atkins met
with me and answered my questions several times concerning their
rezone proposal and project plans. I support of Ramaco's efforts and
their project and ask that Sheridan County approve the rezoning that
Ramaco has applied for.

Sincerely,

A handwritten signature in black ink that reads "Torrey Moody". The signature is written in a cursive style with a horizontal line above the first name.
